A SEA CAPTAIN'S REMEDY FOR CHOLERA.
Mr. G. S. Peabody, master of the packet ship *Isaac Wright*, has written a letter, giving an account of the treatment of cholera cases which occurred on his vessel in January last, during a trip from Liverpool to New York. Captain Peabody says that within forty-eight hours after sailing cholera appeared, and in ten days seventy-seven passengers had died of it, though they were treated "by the book." The Captain then applied a method of treatment that had been recommended by his predecessor in command, and did not lose another patient on that voyage or since. The remedy was this: A tablespoonful of salt and a tablespoonful of red pepper in a half pint of hot water.

"The Captain says he was himself attacked by violent cholera, with cramps, &c., but the medicine 'carried him through.' He adds: 'The medicine acts quickly as an emetic, say in one or two minutes. It brings up a very offensive matter, which sticks like glue. It was given, among others, to one old woman of eighty-four years of age, who was on deck, though weak, of course, the very next day. I have known it to be successfully used on board their ships by at least a dozen shipmasters besides myself. Its use is quite general in Liverpool, where even some of the regular doctors find it to their advantage to resort to it. Provide with this simple recipe, I no longer consider the cholera a manageable disease.'"

SENATOR STEWART ON RECONSTRUCTION.
"Senator Stewart, of Nevada, does not succeed in reconstructing the Union it will not be because he does not make the effort. A few weeks since he introduced a plan of reconstruction, the suggestion of Mr. Foote. A few days afterwards he proposed a modification. This did not suit in all particulars, and he came forward with another amendment. Our Washington dispatches of yesterday announced that he had presented still another amendment. It seems as though he ought to get something to suit by this time, and make himself famous as the great pacificator, which he appears to be laboring so hard to accomplish. As none of his projects will answer we advise him to make one more effort and offer the plan of President Johnson as a substitute for his own and all others now before Congress. This is the most sensible and practical way for him to make himself useful."—*N. Y. Herald.*

The action of the Democratic State Convention, which met at Louisville on the first of May, is signing the approbation of the great mass of the conservative people of Kentucky. Even General Leslie Combs acquiesces in its action, and sustains its nominee for the office, which he himself now holds—the Clerkship of the Court of Appeals.

It having been determined that the bodies of all the Federal soldiers which lie buried in and about Richmond and Petersburg should be gathered into cemeteries prepared for the purpose, laborers have been engaged and are now at work to that end.

It is stated that Gen. Santa Anna denies that his mission to the United States has anything to do with aiding Maximilian. On the contrary he utterly repudiates him and the French, and labors to do every effort to advance the cause of the liberals.

The Southwest Branch Pacific Railroad, one of the three railroads in Missouri on which that State forecloses its mortgages, was sold on the 13th of May instant, to Gen. John C. Fremont, for the sum of one million three hundred thousand dollars.

Mr. M. E. Duval, as executor of the late B. J. Eversfield, sold last week the tract of land known as Brook Wood, in Nottingham district No. 1, containing 313 acres, at \$27 per acre, to Peter Wood Jr.

Judge Gholson, of Petersburg, is now residing near Liverpool. General Randolph, of Richmond, at one time Confederate Secretary of War, is living in the same neighborhood.

Several of the Virginia Springs, Rockbridge Alum, Healing, &c., will be opened this summer. But it is probable there cannot be many visitors.

Petersburg has purchased a dredging machine and apparatus, and will set about immediately clearing its river of its formidable obstructions.

The Gallego Mills in Richmond, are being rebuilt.

ARE YOU AFFLICTED WITH A COUGH OR COLD?
ARE YOU PREDISPOSED TO CONSUMPTION?
Are the lives of your children in jeopardy from sudden and repeated attacks of Croup?
If so purchase a box of
BLADES' EUPHONIAL LUBRICATORS!
The people's most sure and effectual remedy for Coughs, Colds, Croup, Catarrh, Asthma, Bronchitis, Diphtheria and all pulmonary diseases.
The LUBRICATOR is a medicinal preparation in the form of Lozenges, which of all modes is the most pleasant and convenient. They contain no deleterious ingredient, and are warranted to be always safe, even for the weakest and most sensitive stomach. In Croup they give immediate relief. For Coughs and Colds they are invaluable.
For Catarrh, Asthma, and Bronchitis they have no equal in the market, (vide Certificates accompanying each box.) Diphtheria, that dreaded and desolating disease, they control wonderfully and almost immediately.
No Public Speaker, Singer or Teacher, should be without them, as they remove hoarseness and strengthen and clear the voice.
Always use them in time, and if the symptoms are severe use very freely.
